## NCFlex Pre-Tax Advantage

- Critical Illness
- Dental
- Vision
- Group Term Life (for employee only premium)
- Voluntary Accidental Death & Dismemberment

# Eligibility

## You

You may enroll in any or all of the NCFlex benefits if you work for a state agency, university, participating community college or participating charter school for 20 hours or more per week in a permanent, probationary or time-limited position.\* If you have questions about your eligibility, contact your Health Benefits Representative (HBR).

*\*Applies to all benefits except the NCFlex Voluntary Disability Plan, Group Term Life and Accidental Death and Dismemberment Plans. To be eligible for the Disability Plan, you must work 30 hours or more per week. Employees of The University of North Carolina and any constituent institution are not eligible for the NCFlex Voluntary Disability Plan, Group Term Life or Accidental Death and Dismemberment Plans. For more information, go to [ncflex.org](https://ncflex.org) and view the individual benefit details.*

## Your Dependents

### Your eligible dependents include:

- Your legally married spouse.
- Your child(ren)\*, including natural children, stepchildren or adopted children, until the end of the month in which the child turns age 26. For the TRICARE Supplement, eligibility is up to age 21, or up to age 23 if enrolled full-time in a school of higher learning.
- Your child(ren)\* of any age, including natural children, stepchildren or adopted children, who are unable to make a living because of a mental or physical disability as long as the disability developed before your child's 26th birthday and your child was covered by the NCFlex plan for which you want to continue coverage prior to turning 26.

*\*Some plans may have additional restrictions on child(ren) eligibility. To view these restrictions, visit [ncflex.org](https://ncflex.org) and view each plan certificate.*

## What You Need to Know

- You must be enrolled in a plan for your eligible dependent(s) to participate.
- You may not be covered as both an employee and a dependent and children may not be dually enrolled.
- You should consult with your tax advisor if you have questions as to whether someone qualifies as your income tax dependent.
- Dependents do not have to be enrolled on your health plan in order to be enrolled on your NCFlex plan(s).

### Benefit Tip!

If you plan to enroll dependents, allow yourself enough time to gather any required information, such as dependents' Social Security numbers and dates of birth.

# Flexible Spending Accounts

North Carolina Museum of Natural Sciences  
© N.C. Department of Natural & Cultural Resources

Flexible Spending Accounts (FSAs) help you save money on taxes by paying for eligible out-of-pocket health care and dependent day care expenses with pre-tax dollars. You never pay taxes on the dollars you set aside in an FSA, which helps you save money. **You must enroll in these accounts each year.**

- Health Care Flexible Spending Account (HCFSA)
- Dependent Day Care Flexible Spending Account (DDCFSA)

## Health Care Flexible Spending Account (HCFSA)

You can contribute from **\$120 to \$3,300** each plan year. If your spouse is a state employee, they also can contribute up to \$3,300 each plan year. The full amount you elect to contribute to your Health Care FSA is available in your account on the first day of the plan year or the first day your benefits become effective. Your contributions will be deducted on a pre-tax basis from your paycheck evenly over the calendar year.

### Eligible expenses include:

Your or your dependent's (dependent does not have to be covered on your medical plan) out-of-pocket costs for doctor visit copays, prescription drugs, prescription eyeglasses, dental copays and deductibles, braces, contacts, hearing aids, qualifying everyday health products, over-the-counter medications, menstrual items, and much more. For more details on qualifying expenses, go to [ncflex.org](https://ncflex.org) and click on *Flexible Spending Accounts*.

**Ineligible expenses include:** Medical, dental and other premiums, vitamins, and supplements (unless prescribed by a doctor), cosmetic procedures including dental procedures to whiten teeth, weight loss programs, unless prescribed by a doctor to alleviate a diagnosed medical condition or obesity.

For the 2026 plan year, **expenses must be incurred January 1 through December 31, 2026**, to be eligible for reimbursement. You have until **March 31, 2027**, to submit claims for reimbursement. **You can roll over up to \$660** of unused account balances into the next plan year, as long as you have a minimum balance of at least \$25. Any funds exceeding this amount will be forfeited.

You can go to [ncflex.padmin.com](https://ncflex.padmin.com) to submit claims electronically, check your account balance and more.

### ★ Benefit Tip!

Estimate your expenses carefully so you won't contribute more money to your Health Care FSA than you can spend in the year. You are allowed to roll over up to \$660 left in your account at the end of the year (December 31), but if you think you will have leftover funds that exceed this amount, find ways to spend the money on eligible health care items you need, such as a pair of glasses, first aid kits, or schedule a year-end dental appointment.

## Can I contribute to an HCFSA if my spouse has a Health Savings Accounts (HSA)?

You cannot contribute to an HCFSA at the same time your spouse is making or receiving tax-favored HSA contributions. This is because the HCFSA is available to reimburse you, your spouse's and your dependents' qualified expenses, so a spouse's contributions to an HSA would violate IRS rules. Contributions (into an HCFSA) that are made by or on behalf of an individual who is HSA-eligible are considered "excess contributions" and a 6 percent excise tax is imposed on the HSA owner for all excess contributions.

# Dependent Day Care Flexible Spending Account (DDCFSA)

The DDCFSA offers you a tax-free way to pay yourself back for eligible dependent care expenses throughout the year. You can contribute between **\$120 and \$7,500** each plan year to the DDCFSA to pay for dependent daycare and elder care expenses on a pre-tax basis if both you and your spouse work, your spouse goes to school full-time or your spouse isn't able to care for himself or herself. The IRS sets the maximum contribution, which is \$7,500 per family, per year.

**Eligible expenses include:** Day care, summer day camp, after school programs, and preschool expenses for children under age 13 or disabled dependents of any age. Sleep-away, overnight and virtual camps are not covered. You may also use this account to pay for adult day care services for a spouse or other dependent who receives more than one-

half of their support from you (e.g., your disabled elderly parent), who is physically or mentally incapable of caring for themselves and has the same principal place of residence as you for more than one-half of the year.

For more information on qualifying dependents and expenses, go to [ncflex.org](https://ncflex.org) and click on *Flexible Spending Accounts*, or see **IRS Publication 503**.

For the 2026 plan year, **expenses must be incurred January 1, 2026 through March 15, 2027**, to be eligible for reimbursement. You have until **March 31, 2027**, to submit claims for reimbursement. Any unused funds will be forfeited.

You can go to [ncflex.padmin.com](https://ncflex.padmin.com) to submit claims electronically, check your account balance and more.

## How Flexible Spending Accounts Save You Money

Example of Annual Tax Savings*	Without an FSA	With an FSA
Annual Pay	\$40,000	\$40,000
Pre-tax Money Deposited into FSA	-\$ 0	-\$2,500
Remaining Taxable Annual Pay	\$40,000	\$37,500
Minus Federal and Social Security Taxes	-\$12,000	-\$11,250
Take-home Pay Spent on Qualified Expenses	-\$2,500	-\$ 0
Take-home Pay	\$25,500	\$26,250

\*Assumes annual tax rate of 30%.

That's a **\$750** increase in take-home pay with a Flexible Spending Account.

## Paying for Expenses

When you enroll in the HCFSAs and/or DDCFSAs, you will automatically receive one NCFlex Convenience Card to use for either or both accounts, which helps you pay for eligible expenses. This card will be active for several years, as long as you remain enrolled in the account(s). A new card will be automatically mailed to you once this card expires. You may order additional cards for yourself, your spouse, or dependents (over 18 years of age) free of charge by logging in at [ncflex.padmin.com](https://ncflex.padmin.com) or by calling **866-916-3475**.

### HCFSAs

Your entire annual contribution amount is available on your card on January 1, or the date your account becomes effective, to pay for eligible expenses.

### DDCFSA

The money available on your card to pay for DDCFSA expenses is equal to the amount you have actually contributed to your account (via payroll deductions).

## Filing Claims

To file claims or to check your account balance at any time, log into your account at [ncflex.padmin.com](https://ncflex.padmin.com) (from your computer or mobile device) or call the number on your card. You can also register online to receive notifications via text message.

If you do not use your card to pay for expenses, you can file claims for reimbursement online or by fax or mail.

### Mobile App Available

You can access your account anytime, anywhere by downloading the P&A Group app through the App Store or Google Play.

## Keep Your Receipts!

### The IRS requires that ALL claims be verified.

Your NCFlex convenience card can auto-approve most FSA-eligible health care items purchased at many of your local pharmacies, discount stores and grocery stores. The NCFlex convenience card also can auto-approve dependent care expenses at select daycare providers that have a valid merchant category code. However, if an item is not auto-approved, you may receive a request to submit receipts or additional documentation for verification. If you do not submit requested receipts/documentation within 40 days of the transaction date, your card will be turned off (or blocked) automatically.

## Shop for Eligible Expenses Online at the FSA Store!

You'll experience convenience and savings when you shop at the FSA Store, a one-stop-shop that offers significant discounts on thousands of pre-approved eligible FSA products. You can use your NCFlex Convenience Card when you checkout. Visit [ncflex.padmin.com](https://ncflex.padmin.com) to access the FSA Store today.

# Cancer and Specified Disease

The Cancer and Specified Disease Plan pays cash benefits for cancer and 29 other specified diseases to help with the costs associated with treatments and expenses as they happen. This coverage can also help pay for hospitalization, surgery, radiation/chemotherapy and more. You pay for this coverage on a pre-tax basis.

You can choose between three plan options (Low, High and Premium) depending on your needs. All three plan options cover the same type of services. In most cases, however, the amount of coverage differs based on the option you choose. (See “What the Plan Covers” on [page 14](#).)

## Cancer and Specified Disease Monthly Cost

The monthly premium you pay for cancer coverage is based on the plan you choose and whether you cover yourself only or yourself and your family. If you are a new hire or newly eligible for benefits, you do not need to provide Evidence of Insurability (EOI) if you enroll within 30 days of your date of hire.

Coverage Level	Low Option	High Option	Premium Option
<b>Employee Only</b>	\$6.06	\$14.42	\$19.26
<b>Employee and Family</b>	\$10.02	\$23.90	\$31.84

## Pre-existing Conditions

Allstate Benefits does not pay benefits for a pre-existing condition during the 12-month period beginning on the date coverage starts. Any covered loss that is incurred after the 12-month period is payable. A pre-existing condition is a disease or physical condition for which medical advice or treatment was received by the covered person during the 12-month period prior to his or her effective date of coverage. During the 12-month waiting period for pre-existing conditions, the Cancer Prevention and Screening Benefit is still payable.

## Covered Diseases

In addition to cancer coverage, the plan provides benefits for these covered diseases:

## Additional Benefits

Each Critical Illness option includes a \$50 or \$25 **Wellness Benefit** per covered person for one health screening test per year, such as a routine eye exam or colonoscopy. See [page 17](#) for more information.

Also included on all three options, the **Infectious Disease Benefit Rider**. The Diagnosis Benefit pays \$100 once per calendar year per covered person for a COVID-19 diagnosis. The Hospital Confinement Benefit pays \$2,000 once per calendar year per covered person if confined to a hospital due to COVID-19.

### ★ Attention:

The Critical Illness Plan is a limited benefit policy. It is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

### ★ Benefit Tip!

Be sure to designate your beneficiary(ies) when you enroll in the Critical Illness Plan, then review and update them each year during benefits enrollment.

# Example of Benefit Payment

Here’s an example of how the Critical Illness Plan pays for multiple covered conditions over time. Note that the plan pays benefits for recurrences of the *same condition* (John’s heart attack) since the two events are separated by at least six consecutive months. In the scenario below, John has elected the \$15,000 Benefit Amount.

Covered Condition	Lump-Sum Benefit Payment Received
John has a heart attack	\$15,000
Three months later, John is diagnosed with noninvasive cancer	\$3,750
8 months later John has another heart attack	\$15,000
Two months later John becomes paralyzed	\$15,000
Total Payout	\$48,750

## A Note about Taxes

If Voya pays you benefits totaling \$600 or more in a plan year, you will receive an IRS 1099-MISC after the plan year ends. You should consult with a tax advisor regarding the possible affects to your taxes.

# Critical Illness Monthly Costs

The monthly premium is based on the maximum benefit amount you choose (\$15,000, \$25,000 or \$40,000), your age, and whom you cover (yourself only or you plus your spouse). The monthly cost for your spouse is the same as the costs for yourself. For example, if you are age 30 and choose \$15,000 in coverage for yourself and for your spouse, your costs will be \$2.10 for you plus \$2.10 for your spouse, for a total of \$4.20.

Costs for you and/or your spouse are based on your age as of January 1, 2026, and are in five-year age bands. There is no cost for coverage for dependent children under age 26.

Coverage Level	Employee Age	Benefit Amount*		
		\$15,000	\$25,000	\$40,000

Good oral health is an essential part of a healthy lifestyle. Through MetLife, we offer three Dental Plan options that cover routine checkups and other dental care: the High Option, Classic Option and Low Option. These options differ both in how much you pay per pay period and at time of service.

## Covered Services

**No matter which Dental Plan option you elect**, you can visit any licensed dentist, in or out of the MetLife Preferred Dental Provider (PDP) Plus Network, and still receive benefits. All options provide benefits for:

- Diagnostic and preventive services, such as oral exams, cleanings and x-rays.
- Basic services, such as fillings, extractions, root canal therapy and treatment of gum disease.

**The Classic Option and High Option also cover:**

- Major services, such as crowns, dentures and bridges.
- Orthodontic services for dependent children up to age 19, with a lifetime maximum benefit of \$1,500.

## Save When You Use a Network Provider!

Even though you can see any licensed dentist for care, you can save money when you visit a MetLife PDP Plus provider. That's because providers in the MetLife PDP Plus network charge negotiated rates that are typically 30-45% less than the average charge in the same community<sup>1</sup>. To find a participating dentist, go to [metlife.com/mybenefits](https://www.metlife.com/mybenefits), enter *NCFlex* as the company name and enter your zip code. You can also call **855-676-9441** to request that a provider list be sent to you.

1. Negotiated fees refer to the fees that in-network dentists have agreed to accept as payment in full for covered services, subject to any co-payments, deductibles, cost sharing, and benefit maximums. Negotiated fees are subject to change.

## Monthly Dental Cost

Coverage Level	High Option	Classic Option	Low Option
Employee Only	\$58.76	\$37.94	\$25.64
Employee and Spouse	\$117.88	\$76.06	\$51.70
Employee and Child(ren)	\$127.12	\$82.40	\$55.54
Employee and Family	\$208.12	\$130.22	\$88.50

## Flexible Dental Options

You can choose between three Dental Plan options. The **High Option** may be right for you if you need the highest level of coverage for Basic and Major services and a higher annual maximum (and you are comfortable paying the higher premium for coverage). The **Classic Option** offers a higher level of benefits than the **Low Option** and a lower level of benefits than the High Option. This may be a good fit for you if you want coverage for Major services, such as crowns and dentures, or Orthodontia services, but you don't need the highest level of coverage that the High Option offers (and do not want to pay the higher premium for coverage). See the "Dental At a Glance" comparison chart on [page 19](#) for details.

### Benefit Tip!

You can also use your Health Care Flexible Spending Account to pay for eligible dental expenses (that are not covered by another plan) on a pre-tax basis. Keep in mind that cosmetic procedures, such as teeth whitening, are not considered eligible expenses.

<sup>2</sup> See the dental plan certificates for plan details and benefit restrictions. Go to [ncflex.org](https://ncflex.org) and select Dental, then click on "Plan Information, Claim Forms, Certificates and More" to access plan certificates.

<sup>3</sup> Benefits are subject to the Maximum Allowable Charge (MAC). The MAC for in-network dental providers is the negotiated in-network fee. Reimbursement for out-of-network services is based on reasonable and customary (R&C) charge for the area. R&C is based on the lowest of (1) the dentist's actual charge, (2) the dentist's usual charge for the same or similar services, or (3) the charge of most dentists in the same geographic area. You may be responsible for the difference between the R&C charge and what an out-of-network dentist charges.

NCFlex offers vision coverage through EyeMed Vision Care to save money on eye exams and eyewear. You can see any vision provider you choose. The level of benefits you receive depends on whether you go in-network or out-of-network for services.

The Vision Plan offers three schedules of benefits: Core, Basic and Enhanced. Core vision coverage is available to you at no cost, if you enroll, and covers an annual eye exam with a \$20 copay. Both the Basic and Enhanced provide a comprehensive eye exam and benefits for vision materials. You may receive either eyeglass lenses or contact lenses in a benefit period but not both.

## Vision Monthly Cost

Your monthly vision premium is based on the plan you choose and whether you elect to cover yourself only, or yourself and your family. If you wish to only participate in the Core Wellness Exam, you must still enroll.

Coverage Level	Core Wellness Exam*	Basic Plan	Enhanced Plan
Employee Only	No charge	\$4.50	\$8.00
Employee and Family	N/A	\$11.66	\$20.52

\*The Core Wellness Exam is a free benefit, but you must enroll to have coverage.

## The EyeMed Network

You can choose from more than 5,742 providers in the state, including independent eye doctors, retail stores and even online options. When using a non-network provider, you pay the provider in full and submit an out-of-network claim form (along with a copy of your receipt) to EyeMed. You will be reimbursed up to the amount of your out-of-network allowance.

- **NCFlex:** For full-time active employees of a state agency, participating community college or participating charter school, working at least 30 hours or more per week, you can choose supplemental combined STD and LTD disability coverage. See the **NCFlex Voluntary Disability Plan** section, starting on **this page**.

See the **Disability Benefits for Participants in TSERS** section, starting on **page 33**, for details.

## NCFlex Voluntary Disability Plan

The Voluntary Disability Plan, offered by NCFlex through The Standard, provides short term disability (STD) and long term disability (LTD) coverages. Keep reading for details.

The Voluntary Disability Program from NCFlex offers	
Short Term Disability (STD)	Long Term Disability (LTD)
Covers first 60 days of disability	Begins on Day 61 of disability

### Eligibility

You may enroll in the Voluntary Disability Plan if you are a full-time active employee\* of a state agency, participating community college or participating charter school, working at least 30 hours or more per week. If you have questions about your eligibility, contact your Health Benefits Representative (HBR).

*\*Employees of The University of North Carolina System are not eligible for this benefit.*

Learn how the NCFlex Voluntary Disability plan helps supplement basic STD/LTD with TSERS on **page 36**.

## Important: If You Participate in TSERS

As a State of NC employee, if you participate in the Teachers' and State Employees' Retirement System (TSERS) you are provided with basic short-term disability (STD) and long-term disability (LTD) coverage at no cost to you. These basic STD and basic LTD benefits are provided to you under the Disability Income Plan of North Carolina (DIP-NC). See **Disability Benefits for Participants in TSERS** on **page 33** for details. You can also purchase additional protection by enrolling in the Voluntary Disability Plan, described in this section, that may increase the amount of STD and LTD benefits you receive each month.

## Definitions of Disability

**STD:** You will be considered disabled if, as a result of physical disease, injury, pregnancy or mental disorder, you are unable to perform with reasonable continuity the material duties of your own occupation. You are not considered disabled merely because your right to perform your own occupation is restricted, including a restriction or loss of license.

**LTD:** For the benefit waiting period and through the end of the first 24 months that LTD benefits are payable, you will be considered disabled if, as a result of physical disease, injury, pregnancy or mental disorder:

- You are unable to perform with reasonable continuity the material duties of your own occupation, and
- You suffer a loss of at least 20% of your pre-disability earnings when working in your own occupation.

You are not considered disabled merely because your right to perform your own occupation is restricted, including a restriction or loss of license.

From the end of the Own Occupation Period (first 24 months) through the end of the maximum benefit period that LTD benefits are payable, you will be considered disabled if, as a result of physical disease, injury, pregnancy or mental disorder:

- You are unable to perform with reasonable continuity the material duties of any occupation.
- You suffer a loss of at least 40% of your pre-disability earnings when working in any occupation.

## Enrollment/Evidence of Insurability

If You Are:	EOI
<b>New Hire/Newly Eligible</b>	If you are a new hire or are newly eligible for benefits, you do not need to provide Evidence of Insurability (EOI) if you enroll in the NCFlex Voluntary Disability Plan within 30 days of your date of hire.
<b>Existing Employee</b>	
• <b>Electing coverage during Open Enrollment</b>	If you are not currently enrolled in the NCFlex Voluntary Disability Plan, during annual enrollment you may enroll, but EOI will be required.
• <b>Qualifying life event</b>	If you experience a qualifying life event that allows you to add coverage, you do not need to provide EOI if you enroll in the NCFlex Voluntary Disability Plan within 30 days of the qualifying life event and have not previously submitted EOI that was declined by The Standard.
• <b>Returning from a leave of absence*</b>	If you were enrolled in the NCFlex Voluntary Disability Plan prior to your leave, and your coverage ended due to an unpaid leave of absence, you must re-enroll within 30 days of your leave ending; EOI is not required if you re-enroll within that timeframe. If you don't re-enroll within 30 days, EOI will be required. You must be enrolled in the Plan before your leave to be eligible for re-enrollment upon return.

If EOI is required, your coverage will not go in effect until the first day of the month following the date EOI is approved by The Standard. However, if your EOI is approved on the first day of the month, your effective date will be that day.

\*The Standard does not accept direct payments from individual members, therefore if your benefits are canceled while on leave, no payments can be made unless your employer is able to submit these payments on your behalf.

## Preexisting Condition Provision for STD and LTD Coverages

You are not covered for a short or long term disability caused or contributed to by a preexisting condition unless on the date you become disabled, you have been continuously insured under the group policy for the exclusion period and have been actively at work for at least one full day after the end of a **12-month exclusion period**.

A preexisting condition is a mental or physical condition whether or not diagnosed or misdiagnosed during the 90-day period just before your insurance becomes effective:

- For which you would have consulted a physician or other licensed medical professional; received medical treatment, services or advice; undergone diagnostic procedures, including self-administered procedures; or taken prescribed drugs or medications.
- Which, as a result of any medical examination, including routine examination, was discovered or suspected.

**Treatment-Free Period:** If you are treatment-free for six consecutive months during the 12-month exclusion period, any remaining exclusion period will not apply.

## Short Term Disability

Short Term Disability (STD) provides income replacement if you become unable to work due to a medical disability. STD benefits begin on the first day following the benefit waiting period:

<b>What Your Benefit Provides</b>	The plan pays 66 ⅔% of earnings up to \$750 per week.
<b>Benefit Waiting Period</b>	14 calendar days for qualifying accident, physical disease, pregnancy or mental disorder. This is the length of time you must be disabled before you begin receiving benefits.
<b>How Long Your Benefits Last</b>	60 calendar days from your date of disability.
<b>Benefits Are Paid</b>	Weekly.
<b>Deductible Income (offsets)</b>	There are no offsets to the STD plan, meaning you will not have benefits reduced if you are receiving income from other sources, such as workers' compensation or Social Security.

## Additional Features

**24-hour coverage:** Both STD and LTD benefits cover disabilities that occur on or off the job.

**Personal Health Advocate:** While on an approved STD claim, you will have access to a dedicated Personal Health Advocate who can assist you with a wide range of services, such as coordinating health care with specialists and managing billing questions.

**Reasonable accommodation expense benefit:** This benefit helps modify the work environment to allow you to stay at work or return to work following a disabling condition.

**Return to work incentive:** While you are recovering from your disability and if your doctor approves, you may be able to return to work while still receiving LTD benefits at a reduced rate. See your Health Benefit Representative (HBR) for details.

**Survivor benefit:** If you die while LTD benefits are payable, a survivor benefit may be payable to your beneficiary. The survivor benefit is three times your monthly LTD benefit without reduction by deductible income.

# Long Term Disability

Long Term Disability (LTD) provides income replacement if you become unable to work due to a medical disability. LTD benefits begin to pay after you have been continuously disabled for 60 days. Your monthly benefit will be reduced by deductible income, such as Social Security or workers' compensation benefits.

<b>What Your Benefit Provides</b>	<p>The plan will replace up to 66 ⅔% of your eligible earnings*, up to a maximum benefit of \$12,500 per month.</p> <p>Plan minimum per month: \$100 or 10% of the LTD benefit (whichever is greater).</p> <p><i>*Eligible earnings are your monthly pre-disability earnings, as defined by the group policy.</i></p>
<b>Benefit Waiting Period*</b>	<p>60 days.</p> <p><i>*If you suffer a qualifying disability, your benefit waiting period is the length of time you must be continuously disabled before you can begin receiving your monthly benefit.</i></p>
<b>How Long Your Benefits Last*</b>	<p>Until your Social Security Normal Retirement Age (SSNRA), provided you continue to meet the definition of disability.</p> <p>Depending on your age at the time of disability, your benefit may be subject to a different schedule.</p> <p><i>*This is the maximum length of time you could be eligible to receive disability benefits for a continuous disability.</i></p>
<b>Benefits Are Paid</b>	<p>Monthly.</p>

## Maximum LTD Benefit Period

If you become disabled before age 62, LTD benefits may continue during disability until age 65 or to the Social Security Normal Retirement Age (SSNRA) or 3 years, 6 months, whichever is longer. If you become disabled at age 62 or older, the benefit duration is determined by the age when disability begins:

Age	Maximum Benefit Period
62	To SSNRA, or 3 years 6 months if longer
63	To SSNRA, or 3 years if longer
64	To SSNRA, or 2 years 6 months if longer
65	2 years
66	1 year 9 months
67	1 year 6 months
68	1 year 3 months
69 or older	1 year

Deductible LTD Income

Your benefits will be reduced if you have *deductible income*, which is income you receive or are eligible to receive while receiving LTD benefits. Deductible income includes:

- Sick pay, annual or personal leave pay, severance pay or other forms of salary continuation, including donated amounts, (but not vacation pay) paid that exceeds 100 percent of your indexed pre-disability earnings when added to your LTD benefit.
- Benefits under a workers’ compensation law or similar law.
- Amounts under unemployment compensation law.
- Social Security disability or retirement benefits.
- Amounts because of your disability from any other group insurance.
- Any retirement or disability benefits you received from your employer’s retirement plan.
- Benefits under any state disability income benefit law or similar law.
- Earnings from work activity while you are disabled, plus the earnings you could receive if you work as much as your disability allows.
- Earnings or compensation included in your pre-disability earnings which you receive or are eligible to receive while LTD benefits are payable.
- Amounts due from or on behalf of a third party because of your disability, whether by judgment, settlement or other method.
- Any amount you receive by compromise, settlement or other method as a result of a claim for any of the above.

Disability Benefits for Participants in TSERS

As a State of NC employee, if you participate in the Teachers’ and State Employees’ Retirement System (TSERS), you may qualify for disability benefits under the Disability Income Plan of North Carolina (DIP-NC). This section provides details about the DIP-NC disability benefits.

Learn how the NCFlex Voluntary Disability plan helps supplement basic STD/LTD with TSERS on [page 36](#). The Voluntary Disability Plan does not require you to have any creditable service under your retirement plan before it begins paying benefits. In addition, voluntary disability coverage may increase the amount of benefits you receive each month.

Eligibility

Whether you qualify for STD or LTD benefits depends on how many years of creditable service you have as a participant in TSERS. In addition, your disability benefits may be limited if you have fewer than five years of creditable service.

If you are eligible for STD coverage, after you have been disabled for 60 days, the STD plan begins paying you a monthly disability benefit for up to a year. After a year, if you remain disabled and are eligible for LTD coverage, the LTD plan pays a monthly benefit for as long as you qualify as disabled. (See “You Can Supplement Basic STD/LTD through the NCFlex Voluntary Disability Plan” section on [page 35](#).)

## STD Coverage through DIP-NC

If you have at least one year of contributing membership service in TSERS (earned within the 36 calendar months preceding your disability) and meet all plan requirements, the STD plan will pay you a benefit due to a qualified disabling illness or injury after a 60-day waiting period.

The STD plan pays a monthly benefit equal to 50% of your monthly salary, up to a maximum of \$3,000 per month. The plan continues to pay this benefit until you are no longer disabled, or 365 days have passed since the beginning of your disability, whichever comes first.

Here's a brief summary of the STD benefits under this plan:

Your Creditable Service as a Participant in TSERS	During This Period of Your Disability	STD Plan Benefit (DIP-NC)
Less than 1 year	For as long as you are disabled.	No benefit.
1 year or more	First year of disability.	After a 60-day waiting period, the plan pays 50% of your monthly salary, up to a maximum of \$3,000 per month.*

*\*Offsets may apply.*

The STD plan does not pay benefits for disabilities that begin before you have at least one year of service as a participant in TSERS. However, you can purchase supplemental disability coverage to provide a benefit if you become disabled during that first year.

## Extended STD Coverage through DIP-NC

If your disability is considered temporary but continues past the first year, an additional period of STD may be approved, not to exceed 365 days. You must meet all disability requirements and be approved by the plan's medical board.

Here's a brief summary of the Extended STD benefits under this plan:

Your Creditable Service as a Participant in TSERS	During This Period of Your Disability	Extended STD Plan Benefit (DIP-NC)
Less than 1 year	For as long as you are disabled.	No benefit.
1 year or more	Second year of disability.	Following your initial STD period, the plan pays 50% of your monthly salary, up to a maximum of \$3,000 per month.*

*\*Offsets may apply.*

### For More Information

For more information about the details of these plans through the DIP-NC, see the Disability Income Plan of North Carolina handbook at [myncretirement.com/disability](https://myncretirement.com/disability).

## LTD Coverage through DIP-NC

If you have at least five years of membership service in TSERS, the LTD plan will pay you a benefit if you remain disabled for longer than 365 days and are considered permanently disabled.

The LTD plan pays a monthly benefit equal to 65% of your monthly salary, up to a maximum of \$3,900 per month. The plan continues to pay this benefit until you are no longer disabled, or when you qualify for retirement, whichever comes first. Other rules may apply which may offset or end payments.

Here's a brief summary of the LTD benefits under this plan:

Your Creditable Service as a Participant in TSERS	During This Period of Your Disability	LTD Plan Benefit (DIP-NC)
Less than 5 years	For as long as you are disabled.	No benefit.
5 years or more	Beginning of second year of disability and continuing for as long as you are disabled. <sup>1</sup>	The plan pays 65% of your monthly salary, up to a maximum of \$3,900 per month. <sup>2</sup>

Although the LTD plan does not pay benefits for disabilities that begin before you have at least five years of service as a participant in your retirement plan, you can purchase supplemental disability coverage to provide a benefit if you become disabled during that time.

<sup>1</sup> See "Length of Long-Term Benefits" in the *Disability Income Plan of NC handbook* for details on how long benefits may last.

<sup>2</sup> Offsets may apply.

## You Can Supplement Basic STD/LTD through the NCFlex Voluntary Disability Plan

Although being a member of TSERS provides you with basic STD and basic LTD coverage at no cost, you may wish to consider purchasing additional STD and LTD protection through the NCFlex **Voluntary Disability Plan** offered through The Standard. Keep reading to find out how this coverage works with your basic STD and LTD coverages (and see **NCFlex Voluntary Disability Plan** on **page 29** for more details).

### How the NCFlex Voluntary Disability Plan Works with Your Basic STD and LTD Coverage

The NCFlex Voluntary Disability Plan includes short term disability (STD) coverage, which pays a benefit of 66 ⅔% of earnings up to \$750 per week with no offsets following the benefit waiting period. If you are still disabled after 60 days, your claim will transition to long term disability (LTD) coverage, which pays up to 66 ⅔% of your salary with offsets for as long as you meet the definition of disability, but not to exceed your normal Social Security retirement age.

The Voluntary Disability Plan begins paying a benefit if you are disabled for more than 14 calendar days. The 14-day period is called the *benefit waiting period*. The benefit waiting period is the length of time you must be disabled before you begin receiving benefits.

Generally, the plan supplements whatever basic STD or basic LTD benefit you may be receiving (including disability benefits provided through the DIP-NC coverage, plus certain other benefits as explained later). For the first 60 days the 66 ⅔% of earnings up to \$750 per week is on top of anything else you are receiving. After that, your payment is whatever amount is needed to bring your total disability benefit up to 66 ⅔%. If you are not receiving any other disability benefits or other applicable deductible income, then the Voluntary Disability Plan pays all of the 66 ⅔% of your monthly salary itself.

In addition, enrolling in the Voluntary Disability Plan increases your maximum possible monthly benefit to \$12,500.

The plan pays benefits for a qualifying disability regardless of how many years of membership service you have as a participant in TSERS. Therefore, it fills in certain "gaps" during which your basic coverage does not pay a benefit.

The table summarizes how the NCFlex Voluntary Disability Plan works with and supplements the basic STD and basic LTD plans:

Your Service in TSERS	During this Period of Your Disability	Benefits Paid	
		Basic STD Plan and Basic LTD Plan	NCFlex Voluntary Disability Plan through The Standard
Less than 1 year	For as long as you are disabled, but not to exceed the maximum benefit period.	No benefit.	After the required waiting period, the plan pays 66 ⅔% of earnings up to \$750/week for the first 60 days and then 66 ⅔% of your monthly salary**, up to a maximum monthly benefit of \$12,500.
1 through 4 years	First year of disability.	<b>STD:</b> After a 60-day waiting period, the plan pays 50% of your monthly salary up to \$3,000 per month*.	After the waiting period, the plan pays 66 ⅔% of earnings up to \$750/week for the first 60 days and then day 61 going forward, 16 ⅔% (or more) of your monthly salary, bringing your total benefit to 66 ⅔% of your monthly salary**, maximum monthly benefit of the plan being \$12,500.
	Beginning second year of disability and continuing for as long as you are disabled, but not to exceed the maximum benefit period.	<b>Extended STD:</b> If disability is temporary but exceeding 1 year, the plan pays 50% of your monthly salary, up to a maximum of \$3,000 per month* for the second year only. <b>LTD:</b> No benefit.	If you are approved for Extended STD, the plan pays the same benefit outlined for the first year of disability (see row above) for the second year of disability or until Extended STD ends. If you are not approved for Extended STD, or after Extended STD ends, the plan pays 66 ⅔% of your monthly salary**, up to a maximum of \$12,500 per month.
5 years or more	First year of disability.	<b>STD:</b> After a 60-day waiting period, the plan pays 50% of your monthly salary up to \$3,000 per month*.	After the waiting period, the plan pays 66 ⅔% of earnings up to \$750/week for the first 60 days and then day 61 going forward, 16 ⅔% (or more) of your monthly salary, bringing your total benefit to 66 ⅔% of your monthly salary**, maximum monthly benefit of the plan being \$12,500.
	Beginning second year of disability and continuing for as long as you are disabled, but not to exceed the maximum benefit period.	<b>LTD:</b> The plan pays 65% of your monthly salary, up to \$3,900*.	The plan will pay a benefit to make you whole up to 66 ⅔% of your monthly salary**, up to a maximum of \$12,500 per month. The plan will pay a minimum of \$100/month or 10% of the LTD benefit (whichever is greater).

\*Offsets may apply.

\*\*Minus deductible income.
