

Class Concept

Employees in this class perform professional level field investigations and enforcement operations related to Alcoholic Beverage Control Laws, controlled substances, tobacco, lottery and gambling laws, ~~and the administration of the Boxing Authority and~~ the charitable bingo program, and game night. Employees conduct investigations, obtain and serve search and arrest warrants in regard to the criminal laws of the State or Federal Government. Employees engage in the planning and execution of covert operations to identify, detain, and arrest individuals engaged in illegal activities. Employees inspect ABC and NCEL permitted/licensed establishments for compliance with the laws of the State and the rules and regulations promulgated by the ABC Commission and NC Education Lottery Commission respectively. Employees inspect the premises of establishments applying for licensure and perform background investigations on applicants. Work involves collection and preservation of evidence, testimony in court proceedings as necessary, and performing related work such as apprehending observed violators committing offenses. Positions are responsible for assuring that all steps in the investigation and arrest are followed correctly. Positions may serve as a staff officer responsible for coordinating training functions or similar supportive functions. Work is performed under general supervision and reviewed through activity reports and conferences with the supervisor.
