

Class Concept

Positions in this class conduct criminal investigations within North Carolina, typically within an assigned geographic area. Investigations consist of major crimes including but not limited to: assaults, burglary, child abuse, financial crimes, homicides, robberies, sex offenses, and narcotics violations. Positions conduct and or coordinate complex/technical investigations which may include other law enforcement agencies. Positions provide testimony and evidence in court during prosecution. Investigations may involve allegations of misconduct by public officials, law enforcement officers, and judicial officials. Positions typically supervise SBI Agent I, II's, and III's. Positions assign specific job assignments to individual agents, make new assignments, review and assess active and ongoing investigations to include prioritizing and development of leads, tracking and disposition of physical evidence.
