**State Human Resources Commission**
**Report/Policy Summary**
**September 24, 2026**

**Title of Policy/Report/Rule**: Job Classification Changes

**Link to Current Classifications**: Classification Specifications

**Purpose**: OSHR Classification and Compensation recommends the creation of three new classifications, the revision of two classification specifications, and the abolishment of four classifications that are no longer meeting business needs.

**Effective Date**: Effective when recommended by the Commission, then approved by the Governor.

**Summary of Proposed Policy/Report/Rule and Revision(s):** See attached spreadsheet listing jobs by job family.

**Commission Action Requested**: Motion to approve creating three new classifications, revising two existing classifications, and abolishing four unneeded classifications.

**Associated Rule(s) (if applicable)**: N/A

**Submitted/Presented by**: Felicia Bridges, Classification and Compensation
