Title of Policy/Report/Rule: Job Classification Changes

Link to Current Classifications: [Classification Specifications](#)

Purpose: OSHR Classification and Compensation recommends the creation of three new classifications, the revision of two classification specifications, and the abolishment of three classifications that are no longer meeting business needs.

Effective Date: Effective when recommended by the Commission, then approved by the Governor.

Summary of Proposed Policy/Report/Rule and Revision(s): See attached spreadsheet listing jobs by job family.

Commission Action Requested: Motion to approve creating three new classifications, revising two existing classifications, and abolishing three unneeded classifications.

Associated Rule(s) (if applicable): N/A
