

**LACTATION SUPPORT PORGRAM  
SUMMARY OF CHANGES**

**7-1-10**

New policy - Includes new policy to comply with the Patient Protection and Affordable Care Act. This Act amends the Fair Labor Standards Act by requiring employers to provide reasonable break time for lactation (expressing of milk) to employees subject to the act. Additionally, the program will assist agencies in the development of work/life balance initiatives to support the wellness and health of employees of North Carolina State Government.
