Note: The law on paid parental leave for state employees, G.S. 126-8.6, became effective July 1, 2023. Section 126-8.6 was revised by 2023 House Bill 190, Session Law 2023-65, before its effective date. This version of the Paid Parental Leave Policy includes the effect of the House Bill 190 revisions. Permanent rules were adopted effective August 1, 2024.

§ 1. Purpose

Paid Parental Leave is designed to promote families' physical and mental health, increase worker retention, and improve worker productivity and morale. In accordance with N.C.G.S. § 126-1 and 126-8.6, the Office of State Human Resources has established the following policy to provide guidance to agencies regarding the Paid Parental Leave programs.

§ 2. Covered Employees

An employee's eligibility for Paid Parental Leave shall be determined based on the employee's months of service and hours of work as of the date of the qualifying life event. Employees who become parents via childbirth, adoption, foster care, or another legal placement are eligible if:

Paid Parental Leave Policy (cont.)

- Employee is full-time or part-time (regardless whether half-time or more) in a permanent, probationary, or time-limited appointment.
- For the immediate 12 preceding months, employee has been employed without a break in service¹ by the State of North Carolina in a permanent, time-limited, or probationary appointment.
 - Periods of worker's compensation or short-term disability in the 12 months preceding the qualifying events do not make the employee ineligible for paid parental leave.
 - Periods of leave without pay, as defined in 25 NCAC 01E .1100 and the Leave Without Pay Policy, shall not constitute a break in service.²
- Employee must be eligible for Family and Medical Leave (FML) by being in pay status for at least 1,040 hours in the previous twelve-month period.
 - Whether an employee exhausted FML does not affect eligibility for paid parental leave.

Temporary employees are not eligible to participate in this program.

§ 3. Definitions

For purposes of this policy, the terms below mean the following:

State Agency: Any State agency, department, institution, office, board, or commission, including institutions and offices of the University of North Carolina, but excluding the legislative branch, the judicial branch, community college institutions, and public schools. Whether an agency is covered by N.C.G.S § 126-8.6 and this Policy does not depend on whether its employees are otherwise subject to the State Human Resources Act, N.C.G.S. Chapter 126.

Eligible State Employee: A full-time or part-time employee in a permanent, probationary, or time-limited appointment who has been employed without a break in service by the State of North Carolina in a permanent, time-limited, or probationary appointment for the immediate twelve (12) preceding months and who is eligible for Family and Medical

¹ Under 25 NCAC 01D .0114, "A break in service shall be deemed to occur when an employee is not in pay status, as defined in 25 NCAC 01D .0105, for more than 31 calendar days." Pay status is defined to mean, "An employee shall be deemed to be in pay status when working, when on paid leave, when exhausting vacation or sick leave, or when on workers' compensation leave." 25 NCAC 01D .0105(a).

² 25 NCAC 01D .0114.

Paid Parental Leave Policy (cont.)

Leave (FML) by being in pay status for at least 1,040 hours in the previous twelve-month period, as set forth in 25 N.C. Admin. Code 01E .1402(a).

Parent: Either (a) the mother or father of a child through birth or legal adoption, or (b) an individual who cares for a child through foster or other legal placement under the direction of a government authority.

Child: A newborn biological Child or a newly-placed adopted, foster or otherwise legally placed Child under the age of eighteen (18), whose Parent is an Eligible State Employee.

Paid Parental Leave: 100% paid leave to be provided to an Eligible State Employee either (a) upon the Eligible State Employee giving birth for both recuperation during the disability period and bonding with a newborn Child, or (b) to other Eligible State Employees to care for and bond with a newborn Child or newly adopted, foster or otherwise legally placed Child.

Note: Agencies granting parental leave must uphold the principle of equal treatment. See Equal Employment Opportunity Commission, *Enforcement Guidance on Pregnancy Discrimination and Related Issues*, Section I(C)(3) (June 25, 2015), available at <https://www.eeoc.gov/laws/guidance/enforcement-guidance-pregnancy-discrimination-and-related-issues>. For example under G.S. 126-8.6, the birth mother receives four (4) weeks for recuperation and recovery and four (4) weeks for parental bonding leave, which is equal to the four (4) weeks the other parent receives for parental bonding leave. The non-birth parent did not give birth, so they are not receiving unequal treatment by not receiving recuperation and recovery leave.

Public Safety Concern: A significant impairment to the State Agency's ability to conduct its operations in a manner that protects the health and safety of North Carolinians. The extension of Paid Parental Leave to an Eligible State Employee may constitute a Public Safety Concern if:

- (1) Providing the Paid Parental Leave would result results in State Agency staffing levels below what is required by federal or state law to maintain operational safety; or
 - (2) Providing Paid Parental Leave may impact the health or safety of staff, patients, residents, offenders, or other individuals the State Agency is required by law to protect;
- and

Paid Parental Leave Policy (cont.)

(3) The State Agency has been unable to secure supplemental staffing after requesting or diligently exploring alternative staffing options.

Qualifying Event: When an Eligible State Employee becomes a Parent to a Child. This includes miscarriage or stillbirth that occurs after the 12th completed week of pregnancy but before childbirth is complete.

§ 4. OSHR Responsibilities

- Develop and disseminate the rule and policy on the administration of Paid Parental Leave to include how this leave interacts with FML and other leave as applicable.
 - Collaborate with State Agencies to ensure State Agency employees, management and staff receive information about and understand the obligations and rights contained in the Paid Parental Leave Policy.
 - Report to the Office of the Governor on usage of Paid Parental Leave by September 1 of each year.
 - Initiate any additional steps necessary to provide guidance in administering Paid Parental Leave.
-

§ 5. Agency Responsibilities

- Provide the required documentation to employees for completion of the certification process.
- Upon receiving a request for Paid Parental Leave and documentation from the Eligible State Employee, the agency must respond within 5 business days. See § 9.3 of this Policy for how the agency must respond.
- There can be no disciplinary actions taken against the employee for being absent while on paid parental leave. However, this provision does not prevent the employee from receiving disciplinary actions for conduct/performance as long as it is not related to the four or eight weeks of paid parental leave unless there is evidence of fraudulent use.
- Employees that have begun approved paid parental leave should not be required to return to work early due to staffing issues.
- Disseminate information concerning the Paid Parental Leave Program to new and existing employees.

Paid Parental Leave Policy (cont.)

- Agencies shall report Paid Parental Leave activities to the Office of State Human Resources by August 1st of each year.
- If the State Agency delays or denies any Paid Parental Leave requests due to Public Safety Concerns, the State Agency must develop a written internal policy and procedure that identifies the criteria that the State Agency will use to provide consistent treatment for all similarly situated employees.

§ 6. Employee Responsibilities

- Whenever possible, employees shall be required to submit a written request to notify their Employing State Agency ten (10) weeks in advance of their intention to use Paid Parental Leave so that the State Agency may secure backfill coverage.
- Employees may withdraw their request for Paid Parental Leave at any time.
- Employees shall be required to comply with agency leave request procedures, absent unusual circumstances.
- Employees shall be required to submit documentation as listed in § 7 below. State Agencies may take appropriate action if there is evidence that the employee fraudulently requested, used, or otherwise abused Paid Parental Leave. This action may include revoking approval and disciplinary action up to and including dismissal.

§ 7. Certification of Eligibility for Paid Parental Leave

Eligible State Employees shall be required to certify that they will use Paid Parental Leave to give birth to a Child, recover from miscarriage or stillbirth, or will use Paid Parental Leave to care for or bond with a Child.

Employees may be required to submit documentation of the birth, miscarriage or stillbirth, or placement (if applicable). The initial certification form may be required before the Qualifying Event (unless a birth comes unexpectedly, including events of a miscarriage or

Paid Parental Leave Policy (cont.)

stillbirth), while the documentation of the birth or placement will be required at a reasonable time after the Qualifying Event. Official documents may include but are not limited to:

<u>Qualifying Event</u>	<u>Acceptable Documentation</u>
Adoption	<ul style="list-style-type: none"> • Adoption Order • Proof of Placement
Birth	<ul style="list-style-type: none"> • Birth Certificate or Report of Birth • Certified DNA Results • Custody Order
Foster Placement	<ul style="list-style-type: none"> • Foster Care Placement Agreement • Custody Order • Proof of Placement
Other Legal Placements	<ul style="list-style-type: none"> • Custody Order • Proof of Placement
Miscarriage or stillbirth after the 12 th completed week of pregnancy (birth parent only)	<ul style="list-style-type: none"> • Note from medical professional or other medical documentation showing the event occurred after the 12th completed week of pregnancy.

Documents provided must show the date of birth, miscarriage, stillbirth, or date of placement, if placement was a date other than the date of birth. The name of the legal Parent must appear on some legal document establishing the birth or placement, such as the birth certificate, a legal document establishing paternity, or a legal document establishing adoption.

§ 8. Leave Available

Unless otherwise stated, the amounts of leave listed below are for a full-time employee. See the section on part-time employees below for the leave available to part-time employees.

In situations where leave is not available under this policy, agencies can allow adequate time to parents or the persons who would have become parents for recovery or

Paid Parental Leave Policy (cont.)

bereavement, using sick leave, vacation leave, bonus leave, compensatory time, and any other leave options, including leave without pay, that may be available to the employee.

§ 8.1. Leave Available Under N.C.G.S. § 126-8.6

As a minimum, the leave provided under this § 8.1 of this Policy must be provided by all State Agencies to their Eligible State Employees who are subject to N.C.G.S. § 126-8.6.

All Paid Parental Leave arrangements shall be written and include the responsibilities of both the agency and the employee. Each participant in the Paid Parental Leave arrangement must sign the document that contains the terms of the Paid Parental Leave arrangement. At a minimum, the document shall define the parameters of the Paid Parental Leave arrangement and shall comply with the policy provisions below:

1. Compensation and Benefits: Each week of Paid Parental Leave will be compensated at 100% of the employee's regular, straight-time weekly pay (to exclude shift differential, premium pay, or overtime).
2. State Agencies shall provide four (4) weeks (160 hours) of Paid Parental Leave to Eligible State Employees who have given birth for recuperation during the disability period. This also includes birth parents whose child is given up for adoption or placed in foster care.
3. State agencies shall provide four (4) weeks (160 hours) of Paid Parental Leave to Eligible State Employees for recuperation who were pregnant who then experienced a miscarriage or stillbirth after the 12th completed week of pregnancy.
 - a When a fetus dies before 12 weeks of the pregnancy were complete, it is not a qualifying event for paid parental leave.
 - b Neither parent shall receive the paid parental leave for bonding with a child in the event of a miscarriage or stillbirth after the 12th completed week of pregnancy.
4. In addition, State Agencies shall provide four (4) weeks (160 hours) of Paid Parental Leave to Eligible State Employees for bonding with a newborn child.

Paid Parental Leave Policy (cont.)

- Parents are not eligible for bonding leave if the child was given up for adoption or placed in foster care.
5. When a child dies after childbirth is complete, each parent of the child who otherwise meets the eligibility requirements in this policy shall receive the full paid parental leave for which they are eligible. The paid parental leave will not be ended at the time of the child's death.
 6. When an employee who is a prospective adoptive parent or foster parent expects an adoption or placement, but it does not occur, the employee is not eligible for leave under this policy.
 7. With the exception of use of leave in number 5, above, Parents shall certify that Paid Parental Leave past the recuperation and recovery stage of childbirth is being utilized for bonding with the Child.

§ 8.2. Leave for Part-Time Employees

Leave for part-time employees will be prorated from the State Agency's standard amount of Paid Parental Leave, as listed above, corresponding to the percentage of hours they normally are scheduled to work.

Note on Effective Date of this Section:

The changes to Section 8.3 of this policy, on the amount of leave for part-time employees, reflect the changes to the paid parental leave law, G.S. 126-8.6, that were made by 2023 House Bill 190, Session Law 2023-65. Therefore, the changes to this section (and this section only) are retroactive to House Bill 190's effective date, July 1, 2023. The changes made by House Bill 190 removed the "not to exceed" limit in G.S. 126-8.6 that would have caused some part-time employees to receive less than a prorated amount of leave.

§ 9. Requesting Use of Paid Parental Leave

§ 9.1. Type of Leave

Eligible State Employees may take Paid Parental Leave in one continuous period or may take intermittent use of Paid Parental Leave. Requests for intermittent use of paid parental leave are subject to the agency's approval as stated below.

Paid Parental Leave Policy (cont.)

§ 9.2. Notification about Intent to Use Leave

Whenever possible, Eligible State Employees shall notify their employing agencies at least 10 weeks in advance of their intention to use Paid Parental Leave. This requirement is so that agencies can secure backfill coverage.

§ 9.3. Agency Response

The agency shall respond in writing to the employee as promptly as possible, and in no fewer than two weeks from the date of receipt.

For employees who gave birth -- The agency shall not deny, delay, or require intermittent use of paid parental leave to Eligible State Employees who have given birth, so long as they seek to use the paid parental leave in one continuous period. If an employee who gave birth wishes to use intermittent, rather than continuous, Paid Parental Leave, the agency may work with the employee on timing as listed below.

For all other employees – This paragraph applies only to Eligible State Employees who either (1) are not birthing parents or (2) are seeking intermittent leave. For these parents, the agency may delay providing Paid Parental Leave or may provide Paid Parental Leave intermittently if it determines that providing the leave will cause a Public Safety Concern.

If the State Agency determines that it must delay Paid Parental Leave, or make Paid Parental Leave intermittent, because of a Public Safety Concern, the agency shall provide Paid Parental Leave as soon as practical following the Qualifying Event.

If both parents are Eligible State Employees, each may receive Paid Parental Leave. Both parents may take their leave simultaneously or at different times, pending no Public Safety Concern.

§ 10. Leave Usage

- Paid Parental Leave may be used only once within a twelve-month period. The fact that a multiple birth, adoption or other legal placement occurs (e.g., the birth of twins or

Paid Parental Leave Policy (cont.)

option of siblings) does not increase the total amount of paid parental leave granted for that event.³

- Unused Paid Parental Leave is forfeited twelve (12) months from the date of the Qualifying Event.
- Paid Parental Leave shall not accrue or be donated to another state employee.
- Eligible State Employees may not use accrued sick leave, annual leave or other leave in lieu of Paid Parental Leave.
- Paid Parental Leave shall not be counted against or deducted from the eligible state employee's accrued leave balances.
- Employees shall not be paid for the leave provided by this Section upon separation from the employer. The leave provided by this Section shall not be used for calculating an employee's retirement benefits and shall not accrue or be donated as voluntary shared leave.
- Leave usage must be recorded in same required increments as all other time.
- Paid parental leave provided under this Section shall be reported separately from all other paid leave. Employees and supervisors are responsible for accurate reporting of the use of this leave on the employee's time record.
- If the employee requires leave before the actual birth or adoption due to medical reasons or to fulfill legal adoption obligations, other available leave balances shall be utilized in accordance with the State Agency's leave policies. Paid Parental Leave shall not be used prior to the Qualifying Event.

³ If, within a 12 month period, an employee experiences a qualifying event for which they are eligible for eight (8) weeks of leave **subsequent** to experiencing a qualifying event for which they were eligible for four (4) weeks of leave, the employee may utilize the remaining 4 weeks of leave. For example, if an employee adopted a child on January 1, 2024 and utilized four weeks of paid parental leave for bonding with the child, and that same employee becomes a birth parent on September 1, 2024, the employee may utilize four weeks of paid parental leave for recovery from birth but does not receive another four weeks for bonding with the child. This amounts to "using the leave once" during a 12 month period.

Paid Parental Leave Policy (cont.)

§ 11. Relationship to Family and Medical Leave

- Employees using Paid Parental Leave are afforded the remaining job protection under Family and Medical Leave (FML) for an absence up to a total of twelve (12) weeks (480 hours). They may charge personal leave or take leave without pay to cover the additional absence.
- An employee shall be eligible for Paid Parental Leave even if the employee has exhausted FML time consistent with the law covering FML.
- If an employee becomes eligible for FML while on Paid Parental Leave, the employee must apply for and use FML and the leave runs concurrently with FML.

§ 12. Sources of Authority

It is compliant with the Administrative Code rules at:
