HOUSEKEEPING TEAM LEADER

DESCRIPTION OF WORK

An employee in this class performs housekeeping duties and functions as a team leader over a small group of housekeeping assistants engaged in housekeeping within a limited, designated area of a state facility on an assigned shift. Teamwork assignments follow a prescribed routine. The team leader is responsible for maintaining established standards on a daily basis. The majority of the team leader’s time is spent in performing cleaning duties and observing work in progress with some time required and involved daily for adjusting and inspecting work progress, carrying out special instructions, or resolving cleaning problems. The size of the physical area and number of employees assigned will vary according to use and purpose of facility, volume of pedestrian traffic, and intensity and frequency of cleaning process. Work is performed subject to close review and inspection with problems not covered in instructions referred to a supervisor. Work is evaluated in terms of results of team efforts in maintaining required standards.
