- The date the employee is no longer disabled
- The date the employee does not give ReliaStar Life proof of total disability when asked, or
- The date the employee turns age 70.

Benefit After Age 75

The life insurance benefit for both employee and spouse coverages

will be reduced to 50% if the employee is still employed with the State of NC on Jan. 1 following the employee's 75th birthday.

Expanded Accelerated Death Benefit

The policy allows the employee or covered spouse to collect a portion of his/her benefit amount if he/she becomes terminally ill and are expected to live six months or less. The employee or covered spouse may collect 50% of the benefit up to a maximum of \$250,000. The remaining benefits will be paid to the beneficiary after death.

- **When diagnosed with a terminal illness:** If an employee or covered spouse has been diagnosed with a terminal illness and has fewer than six months to live, he/she can receive 50% of the death benefit while living.
- **When diagnosed with a condition requiring continuous confinement:** If an employee or covered spouse has a medical condition that is reasonably expected to require continuous confinement in an institution, and he/she is expected to remain there for the rest of his or her life, he/she can receive 50% of the death benefit while living.

Exclusion

The policy has a suicide exclusion. A claim will be denied if the employee and/or covered dependents has/have been covered under the Voluntary Group Term Life Insurance policy for less than two years and a claim is filed for death by suicide. The employee's beneficiary(ies) will not receive a benefit; however, premiums will be refunded.

Portability

An employee may continue term life insurance coverage under the NCFlex Voluntary Group Term Life Insurance policy if he/she terminates employment or retires prior to age 70 (without a physical examination). Premium rates for portable term life insurance are generally less expensive than the whole life insurance conversion rate. For details and rates, employees may contact Voya at **1-877-464-5111**.

Active coverage at age 70 or retirement after age 75 will be eligible for conversion ONLY.

Conversion

Upon termination or retirement, an employee may convert the term life insurance coverage to an individual whole life policy without a physical examination, regardless of age. The whole life policy builds cash value and the premiums do not change as the employee gets older. The employee pays the full cost of individual policy coverage, plus a billing fee. Premium rates for life insurance conversion are generally more expensive than portable life insurance rates.
