Registration Process

The following recommendations are made to assist you in determining who and how to register your employees for these training events.

1. Managers should review the training content and target audience to determine the best candidates from their office to register for each session. Make sure that each candidate meets one or more of the target audience priorities. Think about what you want to see as a result of each candidate’s participation in this training.

2. Talk with the individuals you’ve identified for the training. Share your expectations for their participation in this training event. Determine their availability to fully attend and participate in the session. (*Participants are strongly discouraged from leaving early, coming in late or otherwise limiting their training involvement due to other commitments, work related or otherwise*).

3. Have the applicant complete the electronic Training Registration Form located in the forms section at [https://oshr.nc.gov/state-employee-resources/local-government-support](https://oshr.nc.gov/state-employee-resources/local-government-support) in a timely manner well before the event is scheduled to take place. Pay close attention as each class has a unique training ID code that must be entered on the form referenced above. Please use the above LG Training Schedule to obtain the correct training ID code.

4. Once the applicant completes the training registration form, you will receive a notification from Smart Sheet. View the request and approve the registration form.

Please notify the fiscal officer or person handling the invoice and payment that they will receive an e-mail after your approval. Alert them that they will approve in the same manner you did. Please reference the screen shots above for the approval process. The invoice will be directed to the person approving as the fiscal officer. They should be prepared to process this payment. Your agency will
be invoiced immediately following the training and payment is expected within 30 days of invoice.

All registrations will be reviewed and prioritized based on the target audience priorities. Approximately two weeks prior to the training event, all applicants will be notified of their status by email, as well as their manager and the fiscal officer. The accepted applicants will be given additional training details at that time.

**Any unpaid balances from previous training sessions must be paid prior to new registrations.**

**Cancellations:** As soon as an accepted participant becomes aware that they cannot fully participate in the training they are scheduled to attend; they should contact their manager and Nikki Banks at niki.banks@nc.gov or (984-236-0949) at OSHR to cancel. Failure to cancel in a timely manner may result in the agency’s responsibility for payment.
