The Office of State Personnel received a request from the North Carolina Department of Public Safety for an exception to this requirement for the Probation/Parole Associate classification. Mr. Derasmo also found that Eastpointe has the professional capacity and expertise to independently manage the Classification and Compensation programs. Based on the review of Eastpointe’s submitted policies and procedures, Mr. Derasmo recommended that the Commission approve the petition to operate substantially equivalent systems in Recruitment, Selection and Advancement; and Classification and Compensation. [See Attachment]
