

## CorVel In-Network Medical and Pharmacy Providers Search Instructions

### CorVel In-Network Medical Providers Search Instructions

Anyone may search CorVel’s public database for in-network medical providers. Providers may be searched by specialty, name, or geographic location. Due to the large number of medical providers in this database, please be aware that searches may take several seconds to complete.

### How to Search for Urgent Care or other medical provider types

1. Go to [corvel.com](https://corvel.com).

2. Click on the “Find a Provider” button near the top right-hand corner of the screen. This screen appears.

**CorVel's national network provides extensive coverage to qualified providers who offer quality treatment.**

For assistance in locating a provider, you may call 888-699-6655. Please note this is a general PPO lookup number. If you have a customized network set up for your account, please call the dedicated number to access applicable PPO providers specific to custom network.
