MOBILE DEVICE USAGE REPORT

In accordance with N.C.G.S. 143-162.5, the N.C. Office of State Human Resources (OSHR) submits the following report on the use of mobile devices as of October 1, 2025.

1. Any changes to agency policies on the use of mobile devices.

OSHR has not adopted any new changes to policies on the use of mobile devices.

2, 3, 4, and 5. The number and types of new devices issued since the last report, the total number of mobile devices issued by the agency, the number of each type of mobile device issued, and the total cost for each type.

Table 1: OSHR Mobile Devices

Mobile Device Type	Current Number of Mobile Devices	Annual Cost of Mobile Devices	Net Number Added or Disconnected
Smart Phone	15	\$7,198	0
Tablet	2	\$480	0
MiFi	21	\$10,077	+ 3
Annual Total	Text	\$17,755	+ 3

OSHR added three new mobile devices in the last year. When employees needed smartphones or tablet devices, they were reassigned from other personnel. The additional MiFi devices were for new employees reporting out of the Asheville Regional Office to ensure consistent connectivity.
