If your burn meets more than one of the burn classifications, the higher amount will be payable. This benefit is payable once per Covered Accident.

Concussion: The concussion must be diagnosed by a Doctor within 72 hours after a Covered Accident. The diagnosis must be confirmed by the use of some type of medical imaging procedure; i.e. x-ray, CT scan or MRI.

Dislocations: The Dislocation must be diagnosed by a Doctor within 90 days after a Covered Accident. The Dislocation must require Open or Closed Reduction by a Doctor. The benefit amount will vary based on the type of services received.

- If the reduction is done without anesthesia, the benefit will be reduced to 25% of what would have been paid for a Closed Reduction of the same joint.
- If the Dislocation is incomplete, the benefit will be reduced to 25% of what would have been paid for a Closed Reduction of the same joint.

If you receive more than one Dislocation in the same Covered Accident, a benefit is payable for all Dislocations. However, the benefit will be no more than two times the benefit amount for the joint involved which pays the highest benefit amount.

If you receive a Dislocation and a Fracture in the same Covered Accident, a benefit is payable for both. However, the benefit will be no more than two times the amount for the bone or joint involved which pays the highest benefit amount.

If you receive a Dislocation or a Fracture and you tear, rupture or sever a tendon/ligament/rotator cuff in the same Covered Accident, only one benefit is payable. The benefit payable will be the largest of either the Dislocation, the Fracture or the tendon/ligament/rotator cuff benefit.

This benefit is payable once per Covered Accident. **Exception:** Subsequent Dislocations of the same joint in a different Covered Accident are not covered.

Emergency Dental Work: Natural teeth must be damaged due to a Covered Accident and either extracted or repaired by the placement of a crown. The benefit amount varies based on the type of services received (refer to the SCHEDULE OF BENEFITS). This benefit is payable once per Covered Accident regardless of the number of teeth involved.

No benefit is payable for examination with anesthesia or for an Injury to the Eyelid.

Fractures: The Fracture must be diagnosed by a Doctor within 90 days after a Covered Accident. The Fracture must require Open or Closed Reduction by a Doctor. If the Doctor diagnoses the Fracture as a Chip Fracture, the benefit will be reduced to a percentage of what would have been paid for a Closed Reduction of the same bone. The benefit amount varies based on the type of services received (refer to the SCHEDULE OF BENEFITS).

If you receive more than one Fracture in a Covered Accident, a benefit is payable for all Fractures. However, the benefit will be no more than two times the benefit amount listed for the bone which pays the highest benefit amount.

If you receive a Fracture and a Dislocation in the same Covered Accident, a benefit is payable for both. However, the benefit will be no more than two times the amount for the bone or joint involved which pays the highest benefit amount.

If you receive a Fracture or a Dislocation and you tear, rupture or sever a tendon/ligament/rotator cuff in the same Covered Accident, only one benefit is payable. The benefit payable will be the largest of either the Fracture, the Dislocation or the tendon/ligament/rotator cuff benefit.

Laceration: A laceration is a cut. The laceration must be treated by a Doctor within 72 hours after a Covered Accident. The benefit amount will be based on the total length of all lacerations requiring repair that are received in any one Covered Accident. If the laceration is severe enough to require stitches but the Doctor chooses to repair it another way, the benefit will be determined as if the laceration was stitched. This benefit is payable once per Covered Accident.

The benefit amount varies based on the number of repairs required and the services received (refer to the SCHEDULE OF BENEFITS). This benefit is payable once per Covered Accident.

If you receive a Dislocation or a Fracture and you tear, rupture or sever a tendon/ligament/rotator cuff in the same Covered Accident, only one benefit is payable. The benefit payable will be the largest of either the Dislocation, the Fracture or the tendon/ligament/rotator cuff benefit.

Torn Knee Cartilage: You must receive surgical repair of torn knee cartilage. The Injury must be treated by a Doctor within 60 days after a Covered Accident. Surgical repair of the tear must occur within 6 months after the Covered Accident. The benefit amount varies based on the type of service received (refer to the SCHEDULE OF BENEFITS). CLAIMS

NOTICE OF CLAIM

Written notice of your claim should be given to us within 30 days after the date of loss. The notice may be given to us at our home office or to our authorized agent or administrator. Failure to give notice within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such notice within that time and the notice was given as soon as reasonably possible.

CLAIM FORM

The claim form is available from the Employer or you can request a claim form from us. If you do not receive the form from us within 15 days of your request, you may send us written proof of loss without waiting for the form. If such written proof of loss covers the occurrence, character and extent of the loss within the time period below for proof of loss, you will be deemed to have complied with the requirements for providing proof of loss.

The claim form(s) may require completion by you and the Employer and your attending Doctor. The completed form(s) and any attachments indicated on the form(s) as required should be sent directly to us at the address indicated on the form.

PROOF OF LOSS

You must send us written proof of your loss within 180 days after the date of loss. Failure to give such proof within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such proof within that time, and the proof was given as soon as reasonably possible. However, in any event, you must provide proof of loss no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

PHYSICAL EXAMINATION

We may require you to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while your claim is pending. We may also require you to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

PAYMENT OF CLAIMS

Benefits are payable to you unless otherwise specified. Once a claim has been approved, we will make payment immediately upon receipt of proof of loss. Any accrued benefits that are payable at your death will be paid to the first survivor(s) who is/are living on the date of your death, in the following order:

1. Your spouse.
2. Your natural and adopted children, in equal shares.
3. Your grandchildren, in equal shares.
4. Your parents, in equal shares.
5. Your siblings, in equal shares.
6. Your estate.

If a survivor entitled to receive a payment dies before receiving it, we will make payment to that person's estate.

"Spouse" in this provision means your lawful spouse.

Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum or in a method comparable to one sum.

LEGAL ACTION

You can start legal action regarding a claim no earlier than 60 days after written proof of loss has been given to us, and no later than three years from the time proof of loss is required, unless otherwise provided under federal law. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your coverage.

- The date coverage for all Employees under the Policy terminates.

In no event will coverage for any Covered Person be continued beyond the date coverage would otherwise end according to the termination provision(s) of the Certificate and riders.

When this continuation ends, insurance under the Policy will stay in force only if all of the following conditions are met:

- Accident insurance is in force for Employees under the Policy, and
- You are in an eligible class for coverage under the Policy, and
- Your premium payments are resumed.

The amount of insurance will be subject to the Certificate and riders in effect on the date your premium payments are resumed.

RETURN TO ACTIVE EMPLOYMENT

If coverage is not continued during your Leave of Absence for active military service, and you return to Active Employment while coverage is in force for Employees under the Policy, then coverage for all Covered Persons may be reinstated in accordance with USERRA and applicable state law.

If coverage is not continued during any other period that is eligible for continuation under the Policy, and you return to Active Employment while coverage is in force for Employees under the Policy, then the terms of the Certificate and riders will apply.
