When do Benefits End as an Employee?

- NCFlex benefits:

- State Health Plan:
 - End of the month you leave employment OR end of the next month, depends on your date of separation – check with Human Resources.
- Employer sponsored benefits – check with Human Resources

COBRA vs. Portability

- COBRA Coverage:

- Stands for: The Consolidated Omnibus Budget Reconciliation Act of 1986
- Applies to health plans: Medical, Dental, Vision, and Health Care FSA
- Allows you and your dependents to continue current coverages for a specific period when you or your dependents are enrolled, and coverage is lost due to a qualifying event. You must pay the required cost of coverage.
- Cost is contracted rate (post-tax). For HCFSA, a 2% fee is also added.

- Portability

- If you meet eligibility requirements, such as age, you and your dependents can move current coverage directly under vendor, paying them going forward.
- Applies to Accident*, Cancer*, Critical Illness*, Term Life, Voluntary AD&D, and TRICARE Supplement*.
- *Cost for these products is same as you are paying as an employee.

COBRA Periods

The following charts show the coverage provisions — **except for the duration of coverage for the HCFSA, which can only be continued to end of the plan year.**

Qualifying Event	Qualified Beneficiaries Who May Continue Coverage	Duration of Coverage
You retire or your employment ends for any reason other than gross misconduct	Yourself, spouse, dependent children	Up to 18 months
During the first 60 days of COBRA coverage the employee or his/her dependent becomes disabled under the Social Security Act	Yourself, spouse, dependent children	Up to 29 months; months 1-18, 102% of premium; months 19-29, 150% of premium
You divorce or legally separate	Ex-spouse and/or dependent children	Up to 36 months from initial qualifying event
Your dependent children lose eligibility	Dependent children	Up to 36 months from initial qualifying event
You become covered by Medicare	Spouse and/or dependent children	Up to 36 months from initial qualifying event
You pass away	Spouse and/or dependent children	Up to 36 months from initial qualifying event

Porting Age Restrictions

- Accident Plan, Critical Illness, Term Life*, and Voluntary AD&D* (Voya products)
 - Portability must be elected prior to age 70
 - For Term Life, conversion is also available
 - For Term Life, after age 70, conversion is the only option
- Benefit After Age 75 – Term Life* and Voluntary AD&D*
 - The amount of coverage will decrease to 50% when you turn age 75 (your spouse's coverage will also decrease upon you turning age 75). Coverage cannot be increased once coverage is reduced due to age.

*non-university employees only

Continuing Flexible Spending Accounts

- Health Care FSA COBRA
 - Can be continued after separation through the end of the plan year
 - Continuation is on a post-tax basis and includes a 2% fee
 - Gives you more time to use your funds
- Health Care FSA – Not continued through COBRA
 - Money not used that was contributed is lost
 - Ex. You retire 8/1/24, you elected \$1200 for the year and have now contributed \$700, but have only used \$500 – the other \$200 is lost unless you file a claim before the filing deadline (more on next slide)
 - Money used above what was contributed is not owed back to the plan
 - Ex. You retire 8/1/24, you elected \$1200 for the year and have contributed \$700, but you've used \$1200 – the additional \$500 is not owed back to the plan.

Continuing Flexible Spending Accounts (cont.)

- Claims must be dated on or before the end of the month you last worked (or last premium was taken) – you still have until the filing deadline of the plan to file claims.
 - Ex. 2024 filing deadline is 3/31/25, so if you retire 8/1/24, claims must be dated on or before 7/31/24, and you have until 3/31/25 to file those claims.
- **Dependent Day Care FSA**
 - Contributions cannot be continued after separation
 - However, participants can continue filing claims on the money already contributed prior to separating – through the end of the plan year. Claims will need to be submitted to the vendor by the filing deadline.

Did you recently experience a life event?

Life events are significant moments (e.g. birth of a child) that might require you to make a change to your benefits. A life event is often, but not always, required to make changes to most benefits.

Birth

Enter the date of this life event *

Birth allows changes to only these benefits:

- | | | |
|-------------------------------|------------------------------|-------------------------------|
| Medical | NCFlex Health Care FSA | NCFlex Dependent Day Care FSA |
| NCFlex Accident Plan | NCFlex Cancer | NCFlex Critical Illness |
