• Usually, is less expensive than permanent (whole or universal) life insurance.

• “Term” life plans typically end after a specified amount of time - the NCFlex plan can continue as long as you pay premiums. However, if still paying at age 75, coverage and premium will reduce by ½.

• Premiums increase over time as your age. Increases are in 5-year “age bands” with age 70 being the last increase.

  o EOI is required for amounts OVER the Guaranteed Issue amounts above.
  o Documentation for Qualifying Life Events must be provided.

• Annual Enrollment
  o Currently enrolled employees/spouse may increase elections by $20,000 without EOI up to: employees up to $200,000 & spouse up to $50,000.
  o Late entrants: Employees who had the opportunity to enroll themselves and/or their spouse previously but did not - may elect $20,000 of coverage on themselves and/or $20,000 on their spouse without having to provide EOI.
  o Child coverage can be added at annual enrollment without having to provide EOI.

• If you become totally disabled prior to age 60, you may be eligible to have your premium waived.
• This only applies to the employee coverage.
• The waiver ends at age 70.
• Contact LifeHelp if you would like to apply.
How and When to Enroll (or make changes)

• When:
  o Within 30 days of becoming a New Hire, Newly Eligible, or when you experience a Qualifying Life Event (i.e. marriage, birth, divorce, your spouse loses similar coverage)
  o During Open Enrollment in the Fall

• Where:
  o Enrollment Platform linked on our website, through your HR Portal, or call the customer service number for the Enrollment Platform (1-855-859-0966).

• EOI may be required (Evidence of Insurability = medical questions).

• If both you and your spouse are eligible to elect these coverages as an NCFlex eligible employee:
  o You must elect coverage on yourself, as an employee, not as a dependent.
  o You cannot double cover children – only one eligible employee may choose the Family option to cover children.
Continuation of Term Life and AD&D Plans

• If you leave employment for retirement or any other reason, or you lose eligibility to participate in NCFlex benefits:
  o These plans are portable if you are not yet age 70.
  o For Group Term Life, if you are 70 or over, this plan can be converted to a whole life policy. The whole life policy builds cash value and the premiums do not change as you get older. Premium rates for conversion are generally more expensive than ported term life.

• Reach out to Voya customer service (LifeHelp) at 1-877-464-5111 to continue the plan and inquire about cost.
