- Grace period for this plan instead of a rollover – March 15 of the following year
- You can use “Day care change” or other life event in the enrollment platform to make changes mid-year
- Services incurred after separation can be reimbursed up to the balance available in the account

# Health Care FSA

- Annual maximum election \$3,200 (per employee)
- Annual rollover amount for 2024 into 2025
  - Can roll over up to \$610 (minimum balance of \$25 required)
  - Rollover from 2025 into 2026 will increase to \$640
- You must re-enroll to continue contributions
  - You do not have to re-enroll to keep the rollover
- Participants **cannot** use current year funds for prior year expenses
  - If they do, account may be frozen
  - Account can only be unfrozen if money is paid back or if claims incurred during current year are filed, equaling up to what is owed

# Health Care FSA – Rollover

- Rollover (Carry Forward) money combines anything from the current year contributions and prior year rollover money
- Employees do not need to do anything for the rollover to occur
- Rollover money can be used for current year expenses, January 1 – December 31, once the runout period has ended, as long as the employee stays active or leaves and chooses COBRA
- Rollover funds are shown on a separate line item in the employee's P&A account

# FSA Runout Periods

- Runout period means last day to file claims
- For 2024 accounts: March 31, 2025
  - 2024 DDCFSA claims dated 1/1/2024 – 3/15/2025 (grace period)

  - 2025 HCFSA money with claims dated 1/1/2025 – 12/31/2025

# FSA Runout & Rollover (cont.)

- Runout periods hold rollover funds, not allowing funds to be used for current year expenses until that period is over (retro back to Jan. 1)
- Rollover funds from 2024 will be available to be used for 2025 expenses after the March 31 filing deadline
- Current year funds will be used for current year expenses prior to rollover funds being used

# Common OE questions

- When changing dental or vision plans, will I have a waiting period for the higher benefits?
  - No
- If I enroll in the Cancer Plan, will I have a waiting period?
  - Only for pre-existing conditions that you were treated for in the 12 months prior to the plan starting. You will have a 12-month waiting period for benefits. However, the Wellness benefit is still payable during that waiting period.
  - Note: if someone goes from one plan to another and is currently being treated for Cancer or one of the specified diseases, benefits will continue to be paid based on the plan that was in place when the diagnosis occurs, for the first 12 months of the new plan. After a 12-month waiting period, the benefits from the new plan are payable on the past diagnosis.
- Are braces covered for adults on the dental plan?
  - No, only for children under age 19

# Common OE questions (cont.)

- If I have an HCFSA rollover from 2024 to 2025, how long can I use the money?
  - You have all of 2025 to use the rollover money. Then, going into 2026, you can roll over up to \$640 (with a minimum balance of \$25) from your 2025 account and 2024 rollover money combined.
- If I contribute to HCFSA, can I use these funds for my spouse's medical expenses, even if they are not covered on my State Health Plan?
  - Yes, you can use your Health Care FSA money for eligible expenses for your spouse and dependent children under at 26 regardless of if they are on your medical, dental or vision plan(s)

# Common OE questions (cont.)

- If I don't want to make any changes, do I need to do anything?

  - Visit the State Health Plan's website for more information on your medical plan
- If I am getting divorced, can I still cover my spouse on my benefits?
  - You can only still cover your spouse while you are legally married, even if separated. Once you are legally divorced, benefits are not payable for or on your spouse on any of the NCFlex benefits.
- Should I expect to get a new FSA card every year?
  - No, the FSA card is good for 3 years and works for both the HCFSA and DDCFSA accounts
  - New cards are issued automatically when the old card expires
  - You can order a replacement card, however, if yours is lost or stolen
