TEMPORARY SOLUTIONS QUARTERLY COMPLIANCE MONITORING REPORT

Temporary Solutions Quarterly Compliance Monitoring Report

April 1, 2024 – June 30, 2024

October 1, 2024

Barbara Gibson | State Human Resources Director Joseph Gilroy | Director, Temporary Solutions

Introduction

N.C.G.S. 126-6.3(a6) requires the Office of State Human Resources (OSHR) to report quarterly, beginning January 1, 2024, "to the Joint Legislative Oversight Committee on General Government and to the Fiscal Research Division on agency compliance with this section and policies and rules adopted pursuant to it, including:

- 1. The number and type of all exceptions made by the Director of the OSHR.
- 2. Any agency invoices with due dates greater than 60 days.
- 3. Compliance with G.S. 147-86.11(e)(3) through (e)(4).
- 4. The number of temporary employees who exceeded 11 months of consecutive employment, and the number of days each employee exceeded 11 months of employment, separated by State agency."

Temporary Solutions, a program of the Office of State Human Resources, hereby submits this report for the period April 1, 2024 – June 30, 2024.

Compliance Report

1. The number and type of all exceptions made by the Director of OSHR (G.S. 126-6.3(a6)(1)))

Exceptions on use of Temporary Solutions by Cabinet agencies

Ordinarily, "all Cabinet agencies that utilize temporary employees to perform work that is not information technology related shall employ them through the Temporary Solutions Program administered by the Office of State Human Resources (OSHR)." N.C.G.S. § 126-6.3(a). G.S. 126-6.3(a3)(1) states: "The Director of the OSHR may create exceptions to the requirements of subsection (a) of this section only when the following conditions are met:

- a) The Temporary Solutions Program cannot meet the agency's employment needs for a class of temporary job assignments.
- b) Failure to recruit for the class of temporary job assignments will cause severe harm to the agency's ability to provide services to the public."

In FY24, there were seven Cabinet agencies that had an approved exception to G.S. 126-6.3(a). Those exceptions ended on June 30, 2024. Each of the seven agencies requested an exception to G.S. 126-6.3(a) for FY25. Those exceptions were made on June 28, 2024. The effective dates of each exception are July 1, 2024 – June 30, 2025. Table A identifies the seven agencies and the types of exceptions made for each.

Exceptions to 11-month limit for temporary employees

N.C.G.S. § 126-6.3(a1) states: "No temporary employee shall be employed more than 11 consecutive months. A temporary employee shall only be eligible for reinstatement on the job assignment after working 11 consecutive months if the temporary employee is separated for at least 31 consecutive calendar days."

N.C.G.S. 126-6.3(a3)(3) states the conditions under which an exception can be made to the 11-month limit:

"The Director of the OSHR may create exceptions to the requirements of subsection (a1) of this section only when all the following conditions are met:

- a) The exception is in the best interests of the State because removing the employee from the job assignment will cause severe harm to the agency's ability to provide vital services to the public.
- b) The exception will not result in extending the 11-month maximum length of temporary employment beyond 22 months from the employee's initial hire date."

Between April 1 – June 30, 2024, the Director of OSHR made five exceptions under G.S. 126-6.3(a3)(3).¹

- The first exception to the 11-month limit was approved on April 15, 2024, permitting a temporary Network Engineer at the Department of Health and Human Services (DHHS) to work beyond the 11-month limit for an additional three months and 15 days. The employee is the sole Network Engineer for the Division of State Operated Healthcare Facilities (DSOHF) Central Office and is heavily involved in the Electronic Health Record (EHR) Program to implement Epic. It was determined that removing the employee would cause severe harm to the agency's ability to provide vital services to the public. Specifically, it would cause significant delays in the Epic implementation as this would leave DSOHF Central Office without any Network Engineers to implement network changes, troubleshoot, support business operations, and implement Epic networking requirements.
- The second exception to the 11-month limit was approved on April 15, 2024, permitting a
 temporary University Program Specialist at the NC School of Science and Math (NCSSM) to
 work beyond the 11-month limit for an additional four months and 19 days. The employee
 receives, records, tracks, reports on, and ensures compliance for financial donations
 received by NCSSM. It was determined that removing the employee would cause severe

harm to the agency's ability to provide vital services to the public. Specifically, it would negatively impact the school's ability to manage its financial donations, preserve donor relationships, ensure regulatory compliance, complete its FY23-24 financial audit, and secure several important financial gifts for NCSSM. These are all required for the school to continue to serve students, parents, teachers, administrators, and key stakeholders.

- The third exception to the 11-month limit was approved on May 1, 2024, permitting a temporary Business Analyst at the DHHS DSOHF Central Office to work beyond the 11-month limit for an additional five months and one day. The employee is responsible for coordinating communication and requirements gathering for multiple third-party contracts integral to the DSOHF EHR implementation. It was determined that removing the employee would cause severe harm to the agency's ability to provide vital services to the public. Specifically, the employee is needed to facilitate implementation of contracted solutions such as applications that control dispensing prescription medications, track patient safety incidents, and many other patient safety protocols.
- The fourth exception to the 11-month limit was approved on May 21, 2024, permitting a temporary Program Manager I at the DHHS Office of People, Culture and Belonging to work beyond the 11-month limit for an additional three months and five days. The employee is responsible for providing program management support to the Assistant Secretary. This support is essential for business continuity during the summer while the Assistant Secretary serves as a significant link to legislative members and state government task forces and initiatives. It was determined that removing the employee would cause severe harm to the agency's ability to provide vital services to the public. Specifically, it would interrupt ongoing initiatives centered on DHHS priorities for increasing the direct care workforce, reducing the agency's vacancy rate, and bolstering public health recruitment and retention.
- The fifth exception to the 11-month limit was approved on May 29, 2024, permitting a temporary Applications Systems Manager I at DHHS DSOHF Central Regional Hospital to work beyond the 11-month limit for an additional 10 months. The employee is heavily involved in the facility's transition of its ERH system from VistA to Epic. It was determined that removing the employee would cause severe harm to the agency's ability to provide vital services to the public. Specifically, it would interfere with the ability of Central Regional Hospital to launch and maintain its legacy solution while DHHS IT works in parallel during those 31 days to transition the facility to Epic. This would delay Central Regional Hospital's access to important patient medical records during and after Epic implementation, potentially affecting patient care.

2. Any agency invoices with due dates greater than 60 days (G.S. 126-6.3(a6)(2))

When a temporary is employed through and paid by Temporary Solutions, the employing state agency receives an invoice from Temporary Solutions that includes:

- The amount paid to the temporary.
- The employer portion of the FICA tax.
- The employer premium for High Deductible Health Plan coverage if the temporary is enrolled.

• An administrative charge of \$2.00 per hour of time worked by the temporary. The charge funds the operations of Temporary Solutions, a 100% receipt-supported program.

G.S. 147-86.21 requires state agencies to which an account receivable is owed to collect the account receivable according to internal policies and procedures that are consistent with statewide policies and procedures adopted by the State Controller. Temporary Solutions issues past due notices to employing agencies when an invoice is 30 days past due (First Notice) and 60 days past due (Second and Final Notice). Additionally, Temporary Solutions issues the employing agency a "Notice of Pending Referral to the Attorney General's Office" when an invoice is approximately 75 days past due and sends a Statement of Account to each agency HR Director and CFO every month. The Statement of Account is a list of all unpaid open invoices, including those that are current and past due.

Table B identifies, for the period ending June 30, 2024, the number of invoices that were more than 60 days past due, by agency. For a detailed list of these invoices, including the invoice number, state agency, number of days past due, and amount of each invoice, please see Appendix 1.

<u>Table B: Invoices that were more than 60 days past due, for the period ending June 30, 2024, by agency</u>

	Number of past due invoices		Did agency or Division, based on individual budget code, have an invoice owed that was

Agriculture and Consumer Services	1	9	No

Natural and Cultural Resources	27	2	No
Public Safety	16	186	No
Transportation	1	0	No
Wildlife Resources Commission	0	1	No
Total	79	339	

As shown in Appendix 1, the average unpaid amount of invoices that were 60+ days past due was \$1,518.54.

Table B also identifies whether any of the past due invoices shown above required agencies to be suspended from acquiring new temporary employees under N.C.G.S. 126-6.3(a2), which reads, effective June 28, 2024:

"The OSHR shall prohibit from acquiring new temporary employees any agency or division, based on individual budget code, having an invoice owed to the OSHR that is over 90 days overdue and a total overdue invoice amount exceeding two hundred thousand dollars (\$200,000). When an agency or division, based on individual budget code, is restricted from acquiring a new temporary employee under this subsection, the agency or division shall not be allowed to acquire new temporary employees through the Temporary Solutions Program until the agency or division has paid all invoices that are over 90 days overdue. The provisions of this subsection do not apply to the North Carolina National Guard."

G.S. 126-6.3(a2), as amended by Session Law 2024-23, Section 10.

As shown in Table B, there were no agency Divisions, based on individual budget code, that had, during the reporting period, at least one invoice that was greater than 90 days past due and a total past due balance exceeding \$200,000. (The change in the wording of G.S. 126-6.3(a2) effective June 28 did not affect this report; no agency Divisions would have been reported as "Yes" in the rightmost column of Table B under the prior wording of the statute.)

G.S. 126-6.3(a3)(4) allows the Director of OSHR to grant an exception to the overdue invoice response process set out in G.S. 126-6.3(a2). During the quarter discussed in this report, there were no exceptions granted under G.S. 126-6.3(a3)(4).

3. Compliance with G.S. 147-86.11(e)(3) through (e)(4)

G.S. 147-86.11(e)(3) states: "Moneys due to a state agency by another governmental agency or by private persons shall be promptly billed, collected and deposited."

Temporary Solutions generates invoices prior to each biweekly pay day. This process typically takes one to two business days. Once the invoices are generated, they are distributed to each agency in SharePoint. This process typically takes five to seven business days.

Table C identifies, during the period April 1 - June 30, 2024, the pay period, the date of each biweekly pay day, the date that invoices were generated, and the date that invoice distribution was completed.

N.C.G.S. 147-86.11(e)(4) states:

"Unpaid billings due to a State agency other than amounts owed by patients to the University of North Carolina Health Care System, East Carolina University's Division of Health Sciences, customers of the North Carolina Turnpike Authority, or the North Carolina Department of Transportation shall be turned over to the Attorney General for collection no more than 90 days after the due date of the billing, except that a State agency need not turn over to the Attorney General unpaid billings of less than five hundred dollars (\$500.00)..."

Please see Appendix 2 for a detailed list of past due invoices that were referred to the Attorney General's Office from April 1 – June 30, 2024.

4. The number of temporary employees who exceeded 11 months of consecutive employment, and the number of days each employee exceeded 11 months of employment, separated by State agency.

Background

From April 1 – June 30, 2024, approximately 7,298 temporaries were employed in state government. Of this, an average of 3,999 temporaries were employed through Temporary Solutions, an average of 1,783 were employed directly by state agencies, and 1,516 were employed through private staffing firms.²

N.C.G.S. § 126-6.3(a1) states: "No temporary employee shall be employed more than 11 consecutive months. A temporary employee shall only be eligible for reinstatement on the job assignment after working 11 consecutive months if the temporary employee is separated for at least 31 consecutive calendar days."

N.C.G.S. § 126-6.3(a3) addresses exceptions to the 11-month requirement. Subsection (a3)(2) states: "A temporary employee who is a full-time student, a retired employee, an inmate on a work-release program, an intern, or an extern is exempt from the requirements of subsection (a1) of this section." Subsection (a3)(3) states: "The Director of the OSHR may create exceptions to the requirements of subsection (a1) of this section only when all of the following conditions are met: a. The exception is in the best interests of the State because removing the

In addition, 40 temporaries reached their 11-month limit between April 1 – June 30, 2024 but worked longer than 11 consecutive months because they had one of the approved exceptions in G.S. 126-6.3(a3) (retired, a full-time student, intern, extern, inmate, or had an exception made under G.S. 126-6.3(a3)(3)).

For a detailed list of temporaries who exceeded 11 months of continuous employment with an approved exception, please see Appendix 3. For a detailed list of temporaries who exceeded 11 months of continuous service without an approved exception, please see Appendix 4. Due to limitations of the HR-Payroll System, these statistics are based on a manual analysis and may miss until a later quarter employees who did not have an employment action in the HR-Payroll System between April 1 – June 30, 2024.³

N.C.G.S. 126-6.3(a5) requires OSHR "to provide written notice to the agency at intervals of 90, 60, and 30 days prior to the temporary employee reaching 11 consecutive months of service." For all five temporaries employed through Temporary Solutions who worked longer than 11 months without an approved exception, the employee and the agency received notifications prior to the employee reaching the 11-month limit at the intervals required in G.S. 126-6.3(a5).

Remediation

Agency employers provided an explanation for each temporary who worked longer than 11 months without an approved exception. Explanations specific to each temporary employee can be found in Appendix 4. Those comments are combined and summarized, with a corresponding remediation plan for each, in Table E below.

Table E: Reasons for exceeding the 11-month limit and remediation plans for each

Health and Human Services and Adult Corrections	Business operations dictated the need for continued work by the employee/work unit needed the employee to work longer than 11 months. 	competitively awarded contracts and are written as professional service contracts stating that the employees of the contract are employees of the vendor, and that the vendor will provide all obligations as the employer of the vendor staff.	DHHS takes the position that these staff are not covered by the statute, because they are not "State employees." Specifically, in the response found on the last page of this report, DHHS stated, "Contract language states the employees of this contract are employees of the vendor, and that the

⁶ Temporary Solutions has submitted an Office of State Controller (OSC) Change Control Board (CCB) request to create a new report in the Integrated HR-Payroll System that would allow Temporary Solutions and all state agencies to identify employees who were employed as of a date range. This will assist Temporary Solutions and all state agencies in determining the exact number of employees as of a date range, retroactively identifying temporaries with an exception who exceeded 11 months of continuous employment and separated prior to the generation of the report and reducing the need for Temporary Solutions and all state agencies to rely on alternate methods of compiling data. On August 2, 2024, OSC began meeting weekly with Temporary Solutions to provide status updates on this CCB request. As of September 13, 2024, OSC was exploring ways of creating this report using resources available in the Integrated HR-Payroll System.

vendor will provide all obligations as the employer of Vendor Staff."

To have G.S. 126-6.3 clearly place an 11month limit on workers at third-party staffing services, the statute would need to be amended to specifically identify whether it extends to employees of third-party staffing services who work on assignment at a state government agency. Until then, Temporary Solutions will continue to urge agencies to follow the 11-month limit for their temporary staff who work for a thirdparty staffing service. Regardless of whether these employees are technically covered by G.S. 126-6.3, the 11-month limit encourages state agencies to bring these staff on board as permanent employees, and the 11-month limit prevents having a long-term group of state staff who do not have full employment benefits.

Temporary Solutions will also require these agencies to report on whether their temporary staff who work for a third-party staffing service took a break after 11 months of service.

If any of the staff working for third-party staffing services meet the test to be employees of the state, rather than employees of the third-party staffing agency, G.S. 126-6.3 would apply. For this reason, in its December 15, 2023 letter to the agencies approving the use of third-party staffing services in addition to primarily using Temporary Solutions, OSHR wrote: "N.C.G.S. § 126-6.3(c)(7) defines a temporary hired by a State agency from a private staffing firm as a temporary employee of the State. Therefore, the following requirements apply to each temporary hired through this approved exception...No temporary employee, including those employed through a private staffing firm, shall be employed for more than 11 consecutive months without an approved exception (N.C.G.S. § 126-6.3(a1)). Approved exceptions include those authorized in N.C.G.S § 126-6.3(a2) and (a3)." Only DHHS can identify, based on the individualized duties of each employee, whether than employee could be deemed a State

		employee, rather than an employee of a third-party staffing service, and subject to G.S. 126-6.3.
Public Safety, Agriculture and Consumer Services, Health and Human Services	The temporary exceeded the 11-month limit due to agency oversight.	The errors made by agencies in this quarter, going over the 11-month limit, were slight, and the temporary employees who went over the limit were over the limit by an average of 6.4 days. Temporary Solutions already provides agencies with multiple notices before the limit is reached. Temporary Solutions is also working to provide agencies with real-time information on an electronic dashboard as an additional form of notice that will allow agencies to meet the deadline. Specifically, Temporary Solutions is continuing to develop an online compliance resource that will allow agency HR staff to view 11-month limit details for every temporary employed in their work unit in real-time and on-demand. Manual email notifications will continue until this resource is launched. Email notifications will be automated in the new resource. Temporary Solutions will continue to maintain the Mandatory Separation Requirement page on its website (in place since 2022), require recommended candidates for temporary positions to certify in their onboarding packet that they understand and will comply with the 11-month requirement (in place since 2020), provide employees and their supervisors with the 11-month assignment end date in their completed onboarding confirmation email (in place since February 2023, previously communicated by the Placement Counselor at the time of hire and by the Temporary Solutions timekeeping staff prior to that), collaborate with agency partners weekly to ensure that 11-month compliance related data in the Integrated HR-Payroll System is correct (in place since May 2023), and send 11-month limit notifications to each temporary and their employing agency 90, 60 and 30 days prior to the 11-month limit, as required in G.S. 126-6.3(a5) (in place since March 2023).

Department of Adult Correction response:

For the workers paid through P & G Security Guard Inc. — "The Department of Adult Correction has contracted with P & G Security Guard Inc. since 2021 to provide security to the perimeter of many of our state prisons. The employees of P & G are trained and supervised by P & G staff. P & G provides all staff uniforms and equipment to perform their job. Therefore, the agency has not viewed P & G as a staffing firm but an agency that provides a security service. Due to the nature of this contract the agency has not requested their employees take a 31-day break after 11 months. This requirement would make it very difficult for this company to retain their consistent trained staff. Pursuant to S.L.2023-134, Section 19C.5.(a). The Department of Adult Correction may utilize security guards and services at State prisons through June 30, 2025."

For workers not paid through P & G Security Guard Inc. — "Business operations dictated the need for continued work by the employee/work unit needed the employee to work longer than 11 months. These contracts were all competitively awarded Professional Services contracts and written as professional services contracts. The purpose was/is to augment DAC staff when additional needs arise. Contract language states the employees of this contract are employees of the vendor, and that the vendor will provide all obligations as the employer of Vendor Staff."

Health and Human Services response:

"Business operations dictated the need for continued work by the employee/work unit needed the employee to work longer than 11 months. [For nurses obtained through third-party staffing firms,] these contracts were all competitively awarded Professional Nursing Services contracts and written as professional services contracts. The purpose was/is to augment DSOHF Nursing staff when additional needs arise. Contract language states the employees of this contract are employees of the vendor, and that the vendor will provide all obligations as the employer of Vendor Staff."
